“WE’RE COMMITTED TO TRADITION, PREMIUM DAIRY & COMMUNITY.” ◆ THE TURLEY FAMILY

WE'RE COMMITTED TO TRADITION, PREMIUM DAIRY & COMMUNITY.

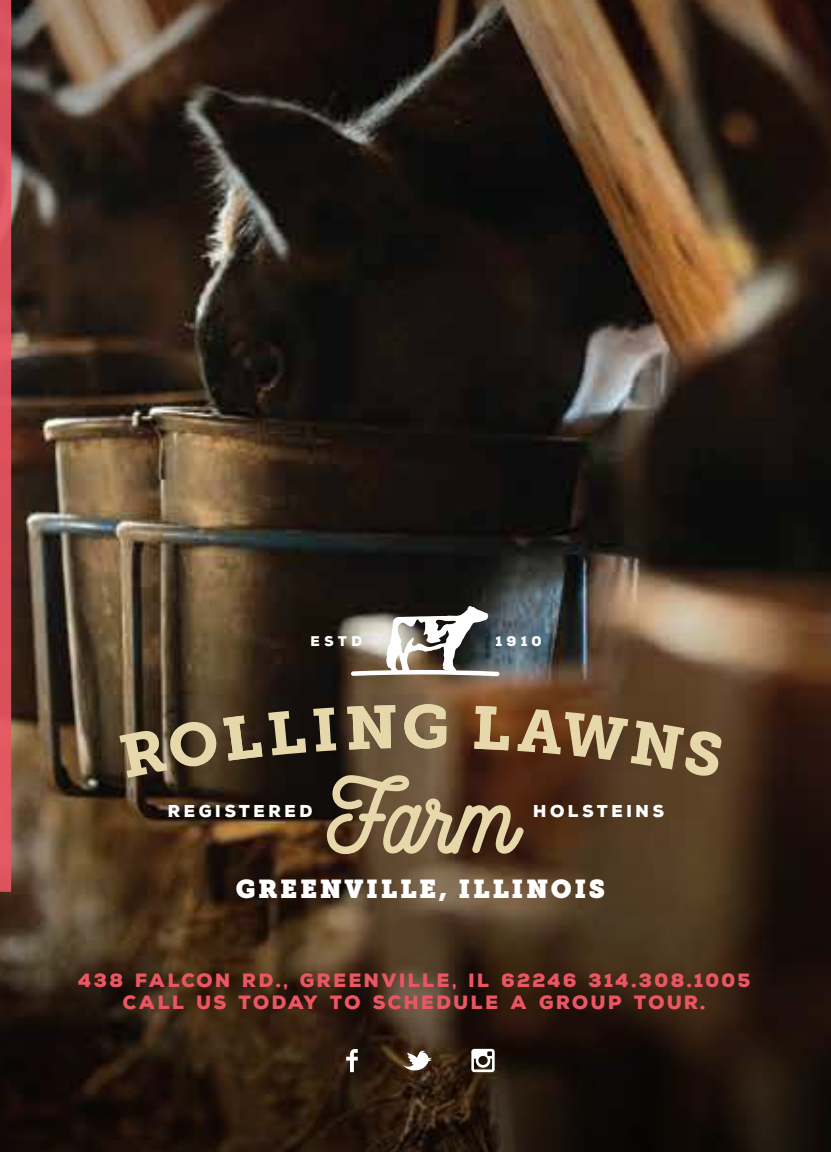

Every day and night, for more than **100 years** and **four generations**, the Turley family has raised and cared for registered Holstein cows, producing some of the *finest, freshest milk* in the region. That's because we still practice our longstanding tradition of proper *animal husbandry* which, simply put, is the high quality care we give our animals and it's the reason Rolling Lawns' dairy **tastes so good**.

Located *just 45 miles from St. Louis, in Greenville, IL*, Rolling Lawns delivers premium dairy to nearby neighborhoods **everyday**. But, being local isn't just about *where* we are – it's about *who* we are. We work the farm. We partner with other local businesses. We're good stewards of the community. And, at the end of a long day, we hope that we've made a difference.

From *specialty coffee shops* and *top restaurants* to your morning bowl of cereal, Rolling Lawns Farm is committed to the providing **the finest taste experience possible** with our exceptionally fresh milk and cream. It's how our farm began, it's who we are and it's *purely Rolling Lawns*.

Thank You for supporting our family farm!
